Dear Ms. Kelly:

In reference to the above report an amended report is attached and an explanation to your questions are as follows.

-Our amended report shows complete identification for individual contributors. The new information has been starred on each entry.

-Schedule A political committee contributors have been updated by using the FEC web site to get the official, recognizable name of the political committees. Some political committee names are on two lines due to the length of their names.

-Our original report disclosed a contribution from a joint fundraiser. We disclosed each individual and PAC as a memo entry as required by the FEC. Also included were the addresses, employers and occupations of each contributor. In the amended report, I have clarified each memo entry by inserting "Good Gov't 2000 Joint FR" in the entry and an arrow is pointing to each entry. Attached to this letter is a compiled list of all joint fundraising contributions (on 2 different reports) and the contributors for it.

-Also amended is the contribution from us to the 7th District Congressional Republican Committee. It now appears on line 21 instead of line 17.

If you need further information, please let us know.

Sincerely,

Gordon Elliott
